Gary,

We are working in the response and will be submitting it soon.

Subject: Land Application Permit

Stephen:

I got a copy of the comments for the land application permit. When will you guys be submitting your revised information. This is getting to be a crucial timing issue relative to the completion date (December 31, 2011). I need to know when you get a response on this issue and when you respond back to the TCEQ on this issue.

Thanks
